KOTHA KARTHIKEYA RAMALINGESWARA GUPTA

Address: PALAKOLLU, Andhra Pradesh-534260 **Phone No:** +91 99494 23637 **Email ID:** karthikeya.r.gupta@gmail.com
LINKEDIN ID: https://www.linkedin.com/in/karthikeya-r-gupta GITHUB: https://github.com/kothakarthikeya

PROFESSIONAL SUMMARY

A results-driven professional with expertise in Machine Learning, AI development, and Frontend Development. Skilled in building and deploying ML models, prompt engineering, and creating scalable web applications. Proficient in Python, Java, and C, with a strong foundation in algorithms and problem-solving. Experienced in HTML, CSS, and JavaScript, along with tools like Canva, Excel, Word, and PowerPoint for effective communication and presentation. Recognized for combining technical expertise and creativity to deliver innovative, high-quality solutions.

EDUCATION

B. Tech in AI & ML, Sri Vasavi Engineering College, Pedatadepalli (2023-2027), CGPA: 7.19

SKILLS

Machine Learning: Model development, training & evaluation, deployment
AI Development: Prompt Engineering
Frontend Development: HTML, CSS, JavaScript
Programming Languages: Python, Java, C
Tools: Canva, Word, Excel, PowerPoint

PROJECTS

1. Legal Contract Analyzer

- **Built a full-stack web application leveraging Python and Hugging Face LLM APIs for automated contract analysis.**
- **Designed NLP workflows for clause classification, named entity recognition (NER), and risk scoring.**
- **Applied transformer-based models to extract key contractual elements including parties, dates, liabilities, and penalties.**
- **Architected and deployed the system independently, demonstrating end-to-end AI solution development.**
- **GitHub Repo: https://github.com/kothakarthikeya/legal-contract.git**

2. *LASYA SREE WELLNESS WEBSITE*

- **Built "Sree Lasya Wellness World," a website created using AI tools to promote wellness and health services.**
- **Implemented AI-powered platforms for efficient website design, content creation, and user experience enhancement.**
- **Implemented modern features for streamlined navigation, personalized wellness information, and visually engaging interface.**
- **Showcased ability to leverage cutting-edge AI tools and frameworks in web Technology for targeted audience engagement and business growth.**

PROFESSIONAL INITIATIVES:

- **Lecturer and Mentor:** Delivered lectures on **the latest technologies** and academic subjects to junior students.
- **Event Coordinator:** Organized college fests & technical events, showcasing leadership and organizational skills.
- **Workshop Facilitator:** Led an entrepreneurship and innovation workshop for Class 10 students at Gurukulam School, powered by the Institution's Innovation Council (IIC).
- **Career Guidance Counselor:** Provided career guidance to Class 10 students at Gurukulam School as part of a Social Outreach Club (SOC) project.
- **Event Coordinator:** Managed various college events, including fresher's parties and technical fests, enhancing public speaking, leadership, and managerial skills.

CERTIFICATIONS

- **Oracle Cloud Infrastructure 2025 Certified Generative AI Professional**

EXPERIENCE:

INFOSYS SPRINGBOARD VIRTUAL INTERNSHIP

Nov 2025 – Feb 2026.

- **Applied NLP, Python and LLM concepts to design a Legal Contract Analyzer project.**
- **Gained hands-on experience in Python-based application development and real-world problem-solving.**
- **Completed a virtual internship at Infosys focused on AI and emerging technologies.**
- **Developed and optimized AI models, improving accuracy by 70%.**
- **Submitted project deliverables within deadlines, achieving a performance score of 70%**

Campus Ambassador — Nexus Swarm

Feb 2024 – March 2025

- **Led campus initiatives promoting Nexus Swarm's mission, engaging 200+ students through events and awareness campaigns.**
- **Managed social media strategies, increasing visibility and participation.**
- **Collaborated with student groups to expand the community's influence on campus.**
- **Coordinated with a team of 5+ members to execute campaigns successfully.**
- **Organized 5+ technical sessions/workshops, increasing participation by 20% compared to previous events.**

SOFT SKILLS

- Good Communication
- Problem Solving
- Leadership
- Teamwork & Collaboration

HOBBIES

- Exploring new technologies
- Experimenting with new skills
- Volunteering
- Playing Sports
- Traveling

LANGUAGES KNOWN

- English
- Telugu
